

26th International Conference on Telecommunications

HA NOI, VIETNAM April 8 - 10

Executive Chair

Huan X. Nguyen
Middlesex University, UK

Technical Program Chairs

Izzat Darwazeh
Univ. College London, UK
Fauzi Bader
CentraleSupélec, France
Tuan Anh Le
Middlesex University, UK
Xuan-Nam Tran
Le Qui Don University, Vietnam

Keynotes Chair

Arumugam Nallanathan
Queen Mary Univ. of London, UK

Tutorial Chairs

Nghi Tran
University of Akron, USA

Workshops Chairs

Ioannis Krikidis
University of Cyprus, Cyprus
Toktam Mahmoodi
King's College London, UK

Special Sessions Chairs

Anh T. Pham
University of Aizu, Japan

Industrial Liaison, Exhibition & Patronage Chairs

Ngoc-Dzung Dao
Huawei, Canada

International Liaison Chairs

Long Le
INRS, Canada
Lin Bai
Beihang University, China
Yi Hong
Monash University, Australia

Publicity Chairs

Huong Thu Truong
Hanoi University
of Science & Technology (HUST),
Vietnam
Mona Ghassemian
King's College London, UK
Nur Idora Abdul Razak
Universiti Teknologi MARA, Malaysia

Publication Chairs

Ramona Trestian
Middlesex University, UK

Local Arrangement Chairs

Minh-Thuy Le
HUST, Vietnam

CALL FOR PAPERS. The aim of this conference is to provide a forum for researchers and technologists to present new advances and contributions in the form of keynotes, tutorials, workshops as well as regular and special sessions with the objective to share ideas and progress in wireless communications, networking and signal processing employed to support the needs of the information society. This twenty sixth edition of the ICT event will bring together various wireless communication systems developers to discuss the current status, technical challenges, standards, fundamental issues, and future services and applications. ICT'2019 seeks to address and capture highly-innovative and state-of-the-art research from academia, wireless industry as well as recent advances in standardization. The topics of interest include but are not limited to the following:

- Fifth generation (5G) mobile communications
- Heterogeneous networks and small cells
- Big data networking, AI/machine learning for IoT communications
- Software radio
- Protocols, architectures and applications for the Internet of things
- Network functions virtualization and software defined networking
- Green communications and energy efficiency
- Self - organizing/self - deploying networks
- Cognitive radio and networks
- Wireless sensor and actuator networks
- D2D and M2M communications
- Ad - hoc communications
- Cooperative communications
- Multi-antenna and beamforming systems
- Antenna and RF design and development
- Game theory for communications
- Signal processing for communications
- Wireless communication testbeds, measurements and modelling
- Optical networks and converged optical-wireless networks
- Millimeter-wave techniques
- Terahertz communications
- ICT for smart cities
- Smart grid communications
- Powerline communications
- Vehicular networking
- Pervasive and mobile computing
- Cloud computing
- Satellite & space communications
- Emerging WLANs, WPANs and WMANs
- Optical communications and technologies
- Wireless optical communications and VLC
- Information theory, channel coding and joint source channel coding
- Network coding techniques
- Image processing, video compression and coding
- QoS provision and management
- Metrics and models for QoE
- Multimedia and virtual reality
- Cryptography and network security
- Standards for communications and networking
- Machine Learning for wireless communications

Call for Workshops and Tutorials: Proposals for workshops and tutorials are solicited on hot topics for future wireless communications, IoT and 5G concepts (www.ict-19.org/for-calls/).

Paper Submission Guidelines – Acceptance will be based on full paper (5 pages). The submission has to be performed electronically via the EDAS paper management system (<https://edas.info/N25531>) by **December 31, 2018**. Detailed instructions on the conference are available at www.ict-19.org.

Important Dates

Special session and workshop proposals: **31st December 2018**
Acceptance notification: **31st January 2019**

Regular submission deadline: ~~31st Dec 2018~~, **15th Jan 2019**, **4th February 2019**
Notification of acceptance: ~~31st January 2019~~, **15th February 2019**
Camera-ready deadline: ~~10th February 2019~~, **20th February 2019**
